Rick Davison Steps Down

As some of you already know, Rick Davison stepped down as Vice President of the NACRJ after the passing of his wife. He is now focused on caring for his daughter. He and his family continue to be in the thoughts and prayers of the Leadership Team during this difficult time. Please keep them in yours. We are deeply appreciative of Rick’s service at a crucial time in the association’s formation.

While no one can replace Rick, we are working to identify a replacement to complete Rick’s term of office. This circumstance has also revealed the need for an amendment to our Constitution as replacement of an officer after resignation is not addressed.

Update on the Membership Drive (Sept. 1 - Oct. 31, 2013)

We have had a very successful membership drive adding 60 new members since Sept. 1, 2013. Our informal goal was to have a total membership of 200 by the end of October. We are only 10 short of that goal and have almost two weeks to go. The membership rates are reduced by 50% for all categories. A membership drive flyer for the last 2 weeks is attached.

Will you help us by sending out a personal note with the flyer to 5 or more colleagues?
**Membership Directory**

Attached with this issue is a membership directory information form. The membership directory will include two sections. Once will be a publicly accessible directory with very limited information and a membership accessible directory with full contact information. If you wish to be listed complete the attached form with the information you wish to share on the directory pages of the NACRJ website ([www.nacjr.org](http://www.nacjr.org)).

Please complete and return the membership directory form by October 31, 2013 so that we can have the directory accessible by the end of November 2013.

Together we are building an association that advances the field and speaks to important policy issues to fulfill our motto "Shaping Justice for the 21st Century".
